II. Narratives

A. Allegation Narrative

On 10/8/22, Nicholas was at school and was having a very rough day, Nicholas wanted to put his hands on many different children, he chocked a little girl in the class room and slapped another little boy in the face, he was then putting quarters in his mouth, yelling at other children calling them losers. Nicholas was asked to calm down and he refused. Teachers came in to help calm him down. Reportedly, Nicholas was acting in this manner because his dad is always mean to him and hits him all the time. Dad also threatens to burn all of his stuff including his bed, and tells him that he is going to beat him. Mom and dad fight over Nicholas all the time. Dad calls Nicholas a "bad child" and "ungrateful person." Dad has forced Nicholas to eat and when he does not eat, he gets slapped and dad forces the food into his mouth. If that does not work, then dad will grab Nicholas by the arm and throw him into his room. When Nicholas takes a shower, dad will not allow mom to come in and help him. Dad comes into the bathroom and is mean to Nicholas. He yells in his face and says mean things. There is a time that Nicholas has slipped in the shower because of dad. Dad has also slapped Nicholas in the face and made his mouth bleed. When mom tried to intervene, dad yelled at her and made her cry. Dad tells mom that she needs to stop treating Nicholas like a baby and that is he is going to be disrespectful to a adult then he will tear Nicholas like one. Dad also says that it is his mom's fault Nicholas is the way he is, that it is her fault he is a bad kid. Dad has told Nicholas that he needs to bein a place for bad children or he can pack his back and leave. Dad has told mom that Nicholas is the reason why they are fighting all the time and that Nicholas will be the reason why he leaves.

Brief Description/Supporting Information

At arrival we were told of unsafe behaviors such as standing on the bus, yelling and arguing. He then refused to go into his classroom and went into the conscious café without permission. When he was asked to come out of the café he argued and screamed that he gets to do what he wants to do and that he isn't going into his classroom. He left the hallway and went outside. Support was called and he continued to argue. He was brought to our Guidance counselor and was still not willing to go to class. Mom was called and he went into class. He then eloped again trying to go into the Cafe at lunch. After lunch he refused to go into the classroom again. Support staff was called and was able to get him into the classroom but began yelling and disrupting the class. Mom was called for a pickup.
